

The Alberta Export Awards honour the success and innovation of Alberta companies who export out of Alberta and who make such a positive contribution to our economy. Sponsored in part by the Government of Alberta, the awards were designed to help facilitate further export growth by connecting emerging exporters to export enablers to help celebrate export achievement.

InFocus Energy Services won a 2017 Alberta Export Award in the category of "Emerging Exporter". Our thanks to our amazing staff as always, to EDC for our nomination, and to @JWNenergy and <http://BusinessInCalgary.com> and <http://BusinessInEdmonton.com>

Former Wildrose Party leader and current NewsTalk 770 host Danielle Smith delivers the keynote address.

Owner and Director of Operations Allan Pearson accepts the "Emerging Exporter" award for InFocus.
